

VISIONS OF THE FLINT HILLS

AN ANNUAL ART BENEFIT FOR FRIENDS OF THE KONZA PRAIRIE

"Visions of the Flint Hills" is an art show & fundraiser for the Friends of Konza Prairie...

We collaborate with Buttonwood Art Space in Kansas City, MO to host this exciting annual art event that draws hundreds of artists, art lovers and buyers from around the region. Over 300 original works of art are offered for sale with 50% going to the artists and 50% going to FOKP. This is a great way to support both local artists and the mission of the Konza Prairie at the same time!

The Friends of Konza Prairie is proud to support the Konza Environmental Education Program –

The KEEP Program serves over 3,000 K-12 students per year with hands-on learning that encourages curiosity, critical thinking, problem-solving and teamwork. No other program like this exists in partnership with an active Long-Term Ecological Research Site like Konza Prairie Biological Station.
